Date Received	Payment	Check #	Cr Card	Approved	Booth Assignment

**The temporary use or exhibition of gasoline powered motor vehicles, boats, or aircraft shall conform to the following:**

- A. Written permission shall be obtained from the Fire Department seven days prior to use or exhibition of any gasoline powered motor vehicle.
- B. The installation or operation of all equipment shall be under the supervision of a competent operator. (Live demonstration of equipment powered by combustible fuels requires full description of program before permission can be considered.)
- C. Fire Department personnel shall be employed by the exhibitor whenever vehicle engines are to be used or entered into the building. Where such personnel are required, the Fire Department shall determine the following:
  - The number of personnel (a supervisor shall be required when more than one man is employed.)
  - The hourly wage rate.
- D. The maximum amount of fuel permitted to remain in a tank shall be three gallons for gasoline vehicles and 10 gallons for diesel vehicles.
- E. A locking type gas cap shall be installed on all gas tanks, and shall be sealed in a manner approved by the Fire Department to prevent the escape of vapors.
- F. All batteries shall be disconnected while the vehicle is not in actual use.
- G. Fueling or defueling of vehicles shall not occur within the building and shall be dispensed or removed with approved safety equipment.

---
